

Scottsdale Soccer Recreational Program (formerly ASUSC Recreational Program)

Scottsdale Soccer Recreation is our developmental soccer program that consists of over 2000 players, ages 4 thru 14. Coaches for our recreational teams are selected from parent volunteers. Our recreational program is organized into "pure age groups" - 5 year old boys playing against 5 year old boys, 8 year old girls playing against 8 year old girls, etc. Our program is designed to bring the enjoyment of the game to beginning level players in a fun but structured environment.

Scottsdale Soccer Competitive Program (Blackhawks)

The competitive program of the Club is the Blackhawks. The Blackhawk environment is for players who strive for experienced professional training and higher-level of play. Players tryout through the Club's programs and are placed on teams that are trained by the professional Blackhawk coaching staff. The staff is highly qualified, and is licensed through two governing bodies, the United States Soccer Federation (USSF) and the National Soccer Coaches Association of America (NSCAA). Teams compete in league and tournament play, with most league games played in the greater Phoenix area. Tournaments are chosen by each team and may require out of state travel.
