## HELP KEEP OUR FIELDS CLEAN!

Please make sure that when your games are over that you pick up all your trash from the fields - whether it is water bottles, Gatorade bottles, snack food wrappers, etc.

The Association and Township do their best to maintain our soccer fields. It's a "no brainer" to pick up trash after your games are over. Thanks!

## TOTS

GO - GREEN - Shriek's

### **BlackHawks:**

The BlackHawks opened their fourth game with another great effort. Goals by A. Ruberton, R. Ruberton, and J. Rhodes got them going right off the bat. S. Gueye showed superb ball handling skills with a drive right up the middle. A. Pino and Z. Colon also gave their best in the offensive zone. All the kids did a wonderful job this week. Go BlackHawks!!!

### **Blue Thunder:**

We had another fun time working with the Red Racers! Coach Lori was home sick, so Coach Denise stepped up and ran the Red Racers. Great Job coach! We all had a great time this week playing cops and robbers. Our game was very exciting after our drills. Josh, Alyssa and Noah played great! The highlight of the game was the last second scoring effort of Andrew! Scoring a very unconventional (and very illegal) goal at the whistle!

### **Shrieks:**

Today, the Green Shrieks Team played against the Purple People Eaters and boy what an awesome game they played. Both teams were full of energy and ready to show off their new soccer skills. Brandon and Taiya did a tremendous job getting the ball away from the other team. Jacob and Christopher showed how they learned to move the ball down field and shoot on goal. Alexia and Xavier were fabulous at dribbling the ball and keeping it away from the other team. We missed Kaylee this week and hope she feels well enough to make it to next week's game.

### **Fast Blue:**

The weather was great for the game on Saturday. Our team, **Fast Blue** made great efforts to control the ball and have fun!! We are proud you kids keep coming back each week with enthusiasm. Keep up the good work Alonzo, Thomas, Kevin, Darrion, Morgan, Ashley, Maurice and Malcolm. Remember Kick and Follow!!!

## PEEWEE

### **STRIKERS:**

The STRIKERS played a spectacular game this week taking on the SHARKS. Both teams played their hearts out. Endya and Jaylin did an awesome job scoring several goals for the Strikers, while also showing great strategy stealing the ball a few times. Kristen, Ben and Paloma did an excellent job with offense and defense skills, running up and down the fields giving it all they had like little pros. The Strikers should be very proud of themselves for how well they played. We missed Kirstyn and Gage this week for they were not able to make it to the game. GREAT JOB EVERYONE!!

### **Lightning:**

Team lightning had a great game. Anthony and Christian both scored. Kayla, Nicole, Tshon and Zackary played great offense and our defense was secured by Danny. Great game!

## **Blaze:**

Blaze you played a good game Saturday. This is the second time you played this team and you played much better. I know it has been a hard season but you guys keep giving your all and that's all we ask. Zack, Andrew, Brandon, Morgan, Kaleigh and Brandon have fun out there and always remember "Keep your feet moving and hustle down that field".

## **Hurricanes:**

The Hurricanes had a great game against the Wolves last weekend. Chinwekele Anyanwu scored twice, Jeffrey Alexander added a pair, and Gabriella Scocca rounded out the offense for the Canes with three scores. On defense, Christopher Dolson, Meadow McMurren, Eric Acevedo and Kaitlyn Sanderson all had an outstanding game. Hats off to the Wolves for a great game, also!

## **Bobcats:**

The Bobcats played another great game, taking on the Dragons. Both teams played well together. Jasmin had an outstanding game with 4 goals. Matthew and Jordan also contributed to scoring goals with an assist by Daija. Everyone played both offense and defense this game. Good job team! Offensively Daija and Freddy stole the show. Matthew also played strong offense while showing off dribbling skills down the field. Defensively Andrew and Sydney displayed excellent recovery skills midfield. Amaya showed us her soccer skills as well. Keep up the hard work. GO BOBCATS!!!

## **MICRO-BOYS**

Jaguars:

The Jaguars came ready to play Saturday as

they met the Arsenal for the first time this season. As a team the Jaguars have been learning to switch fields and pass away from pressure. The boys showed what they had learned on the field, working together to score their goals. Andre, Gavin, Nick, Devin and Ryan P. all scored goals assisted by their teammates Brad, Desmond and Ryan A. Playing hard on both the offense and defense Ade, AJ, David, Jordyn, Seth, and Shane made a definite impact on the field. Great job team, 1-2-3 JAGUARS!!!

## **MICRO-GIRLS**

### **WINSLOW WAVE:**

The Winslow Wave had another great game this week. This time against the very competitive Vipers. Carissa scored the first goal of the game followed up by 2 for Ameerah. All of the girls played their hardest. Thanks to the superb ball handling of Shakira, Emma, Taylor and Madison, and the incredible kicking strength of Carissa and Brooke, and the determination and hustle of Jolyn, Amanda and Carla, the Wave was able to produce another Heart Pounding game. And let's not forget our Spectacular Goalies Emma and Madison. Nice Stops!

There was another near goal by Daniel #9 with assists from Anastasia #10, Jabmar #12 & Hannah #4.

## NOVICE

### Knights:

It was a great spring morning for soccer as the Knights took the field vs. the Tornadoes. Several players had great games. Big goals were scored by Andre Frankie and Lateef. Kelsey got a bit injured during the game but got right back in there and along with Robert did a great job protecting the middle of the field. Sarah Jenna, Da-Naeya, Avery and Emoni did a great job offen-

sively. Dometrious and Shane play a great defensive game and Madison backed everyone up in Goal.

## TRAVEL

### U8 Boys – DiamondBacks:

Well the Diamondbacks played two very tough teams this week. On Thursday night we played in arctic like conditions at Lumberton. We would like to welcome Nick Menno and Nick Thomas to there first taste of Travel Soccer. We had some great plays on the fields, playing our first game under lights! Mark had his best game of the season with great ball control and some very smart heads up playmaking. We scored on our first "set piece" converting a corner kick in the second half. Wayne Rooney (AKA Phantom) converted the kick for our first goal of the game. Great Job boys!

On Sunday we played in somewhat nicer weather at Marlton. This team was very tough as well. Shane stopped 31 shots and played a very tough game. E and Mark made us proud putting the skills we learned at practice into use. David made his return to action after an extended stay on the disabled list sidelined him for a few weeks. It was good to have you back David! 1-2-3 DIAMONDBACKS!
