TOTS

Blue Thunder:

What a great way to end the season! With a hard played game, great weather and even Mom's and Dad's helping out! Great job Mom's and Dad's!! I hope everyone had fun, because I know I did. Great Job to all the kids this season, I saw improvement in there skills and smiles on there faces! Coach Jim, Coach George and I would like to wish everyone a great summer!

See you in the fall.

1-2-3 Blue Thunder!!!

Grey Lightning:

It was the last game of the season and the Grey Lightning team was on fire. Once again Jaice and Ethan came through for the team on defense and offense. Courtney and Zachary were inches away from scoring and kept up the momentum of the game. Matthew got in there and had a blast trying to get the ball away from the other team. I am so proud of the team for coming along so well and sharing the same passion for soccer that brings me back season after season. Well done to all my awesome STARS and thanks to all the parents for their cooperation. See you again in the fall.....Coach Meghan

Green Shreks:

Today, the Shreks played their final game, and oh what a tremendous job they did. They showed off all of the skills they learned throughout the spring soccer season. Taiya did a great job throwing in the ball from the sidelines. Alexis maneuvered the ball down field with great skill. Kaylee was amazing on both offense and defense. Xavier showed how well he could control the ball. Brandon did a wonderful job moving the ball down the field. Jacob played an awesome game, hustling from offense to defense. Great job, everyone!!!! We would also like to thank all

the parents for bringing the children to the games every week and for providing them with a snack at the end of each game. Hope to see everyone in the fall.

GREAT JOB, GREEN SHREKS!!!!!!

Purple People Eaters:

The Purple People Eaters ended their season on a beautiful sunny day playing against Blue Thunder. The day started with the players and parents competing in "Coach Mike Says" which was a barrel of laughs. Later, during the game, the Purple People Eaters demonstrated everything they have learned this season. Natalie, Sammy, Cole, Lauren, Coby, Kaylee, Z.J., and Vincent showed that all their hard work paid off by putting on some thrilling offensive drives and fiercely defending their goal. The Purple People Eaters efforts were equally matched by Blue Thunder who played an outstanding game as well. Coach Dan and Coach Mike would like to congratulate everyone on an excellent season and thank all the parents for letting us have so much fun. We hope to see everyone again in the fall and wish everyone a great summer. **GO PURPLE PEOPLE EATERS!!!**

Light Blue Stars:

Our Light Blue Stars blew us all away Saturday as they played Ultimate Soccer! They made their coaches, family and friends proud with the efforts they put into the game. Every skill that was taught during the season came out in these awesome kids Saturday morning! Alonzo Parker whipped up a spin and save that he immediately followed with a goal! Tommy Maffei dubbed Big D for the Day had a great defensive game. Kevin Colligon had 5 huge breakaways and made 2

attempts on goal. Darrion Bovell put every game before this one to good use and took the ball all the way down field on more than one occasion! Ashley Mathers stayed persistent and got the ball away from 8 Dark Blue feet!!! Maurice and Malcolm Graham used wonder twin powers and teamed up to block 2 goals. Morgan Copestick came out to support her Light Blue Stars from the sideline as she was on our injured reserved list. The Dark Blue Team played a great game and came out strong. They played hard and were focused and they showed their skills! The team was sad to see the season end but they were very excited about the awesome Bobble Head trophies they received from the coaches! Thank you Coaches for a great season- the time and effort you put into the kids is greatly appreciated and we are all so happy that they played so well for you this last game! See you in the fall!!!

Red Racers:

What a great way to end the spring season by playing the green team. Chase made the first goal, followed by goals by Tyler, Ciarra, and Connor. Lonissa, Amanda, and Adam helped with some awesome assists. Myah helped by scoring one for the green team! Noah was great at blocking a few shots that would have gone in our goal. The Robinsons were kind enough to treat the team to pizza and treats after our game. The children enjoyed getting their trophies, almost as much as the parents enjoyed getting their child's soccer pictures! I want to thank all of the parents for their support this season. A special thank to my assistant Coach Denise and my mini-assistant Alana for their help this season. Looking forward to the fall season!

Orange Crush:

It was a great turn out for the last game of the Spring Season. Orange Crush got off to a fantastic start by Amer scoring the first goal of the game. Simone did her part on defense by turning the ball away from the goal while Justin, Jacob and Joshua setup Quishon to score. Anna and Savanna helped their team on and off the field by cheering the team on. All the kids did a great job on the field and it was a pleasure coaching them. Congratulations on a great season - Orange Crush!

Hurricanes:

The Hurricanes wrapped up the spring 2007 campaign with a tough defensive game against the Rangers, with only one goal scored in the entire game. Congrats to both teams for a great defensive game!

The parents and coaches are all very proud of all the Canes players. All the players improved over the course of the season, and the games were seemingly more and more competitive as the season went on.

Every player deserves mention at the conclusion of this great season. Gabriella Scocca, Zachariah Myles and Jeffrey Alexander were phenomenal on offense all season. Kaitlyn Sander-son and Meadow McMurren were defensive standouts all season. Christopher Dolson, Chinwekele Anyanwu (our designated throw-in specialist), and Eric Acevedo had great seasons on both ends. Thanks to all for a great season!

Diamondbacks:

This week we played another very tough team. Cherry Hill SC came out to play! Mark scored early with a pretty shot from the far right side that Petr Chec couldn't stop! Cherry Hill came back strong and tied it up only a few minutes later. With most of the game still left to play this turned out to be one of the most exciting games of the season! Both teams played hard and had some great chances, but the game ended in a 1-1 draw. The MVP of the game was Shane in goal making 12 saves! We have one more game and can't wait to get back out on the pitch!

1-2-3 Diamondbacks!
