11/7/09

Calling All Volunteers!!!!

Our 2009 Fall Jamboree is fast approaching and we need your help to make it a smashing success. Each team is being asked to provide at least one volunteer for one hour on the day of the event (more than one is certainly welcome.)

Volunteer positions include:

**Set Up** (prior to the event start):

This position requires an early morning commitment. Set-up will begin around 7:00 am and take no more than 1 hour. This is a good position if your child has an earlier game, because you are guaranteed a good parking space ☺

**Check- In/ Information Table:** 1 hour/ No experience required! This position entails greeting coaches, and distributing their check in packages. Also, serve as an information outlet (point out fields, schedule information... and so forth) If you are a people person, this is the place for you. Each Site will have a knowledgeable site director to handle any "big" questions ☺

**Concessions:** 1 hour/ No experience required! The position entails helping Harris Teeter produce and distribute delicious food items to our Jamboree crowd.

**Field Monitor:** 1 hour/ these people will "roam" the sites, and help ensure games are starting on time, answer questions, and bring any concerns back to the Information table. If you like walking, this is a job for you! Bring you walking shoes ☺

**Activities Monitor:** 1 hour/ these people will be responsible for handling the flow of children through the extra activities we have on the sites (moon bounce and games.) Don't worry; there will be more than one of you out there at a time! A degree of patience and a sense of humor are helpful ☺

**Clean-up/Break Down:** These people will help clean up and break down the tables and tents at the end of the day. This is a good position if your child has one of the later/last games of the day. Depending on the number of volunteers, this should take no more than 1 hour.
