

SFL UNIFORMS (U13-U19 and U11/U12 Challenge)

Home Jersey, Away Jersey, Shorts

You should purchase your SFL uniform (if you need a new one) when you register for the soccer season. If that option is no longer available or has been turned off, you will need to get your uniform via the Loudoun Soccer office. Quantities and sizes will be limited so don't leave this to the last minute.

SFL NUMBERS (U13-U19 and U11/U12 Challenge)

In the SFL, each player on the team must have a unique number. Because of this, your SFL uniform will come un-numbered. You will then need to have a number put on the uniform after you have confirmed this number with your coach. DO NOT pick your own number - you must confirm with your coach so that there are no duplications on the team. Also, DO NOT put a number on a uniform unless you have been placed on a team. Numbered uniforms MAY NOT be returned.

Contact one of these locations to have the number put on for a fee.

Please get an 8 inch block style number (white or red).
