

Thunderbird Park soccer fields and parking

This is an overhead of Redfield School which is adjacent to Thunderbird Park. There are 3 soccer areas at this park containing 8 soccer fields for this season. The facility is bounded by Thunderbird Road to the south, 92nd Street to the east, and Redfield Road on the north. To the west is residential and is off limits for parking – Scottsdale police are diligent in ticketing and towing on all surrounding streets as posted.

Parking is a concern unless these guidelines are followed.
