

## **FCCA Announces Sponsorship Agreement With Strikers Soccer Center, and Ian and Andrew Steedman**

The FCCA Board of Director's and our Executive Director of Soccer, Shane Carew are extremely proud to announce that STRIKERS Soccer Center, in Huntersville North Carolina, and their founder's Ian and Andrew Steedman, have reached a long-term Sponsorship agreement between our two great organizations.

STRIKER'S is a very successful recreational Soccer facility that has served thousands of Cabarrus, Iredell, Mecklenburg, and Rowan County resident's and their children over the past 10 or so years. Their community programs and training facilities have provided a great foundation for youth in Soccer. The mission and core values of our two organizations are very similar, as we both strive to provide FUN and rewarding experiences for our youth through the Sport of Soccer.

FCCA looks forward to its Sponsor relationship with STRIKERS'S and the mutual benefits we each bring through the many successful FCCA Tournaments and Teams...!!
